A Monsieur le Vice-Amiral Napier, Commandant l'Escadre Anglaise de la Baltique.

No. 380. Brigade Orders.

Camp, Bomarsund, August 17, 1854.

THE Brigadier-General cannot allow the force which he has had the honour to command, during the operations against the forts of Bomarsund, to re-embark without requesting the officers, seamen, non-commissioned officers and privates of the Royal Sappers and Miners and Royal Marines, to accept his thanks for their good conduct during the period they have been employed on shore, as also for the cheerful and willing manner in which they performed the very laborious duties which they were called upon to perform, and which has contributed so greatly to the successful results which have been obtained.

The excellence and precision of the fire from the two batteries was the admiration of every one who witnessed it, and reflects great credit upon the officers in command of the several guns.

Captain Ramsay, R.N., and Colonel Graham, Royal Marines, are requested to accept the Brigadier-General's thanks for the very able assistance they have afforded him during the period he has had the honour to have them under his command.

SIR,

*Bulldog, off Bomarsund
August 19, 1854.*

I HAVE received their Lordships' letter of the 7th instant, approving of all my proceedings and their satisfaction at Admiral Plumridge's activity and judiciousness.

2. I owe much to Admiral Plumridge for the manner he placed his squadron to prevent reinforcements being thrown in; and I am informed two Russian Admirals were sent among the islands to see if it were possible to pass the blockading squadron, and returned in despair.

Rear-Admiral Plumridge, as second in command, I have removed into the Neptune; Rear-Admiral Martin will hoist his flag on board the Leopard, and take charge of the Gulf of Bothnia, during the rest of the season, which will not be long.

I have, &c.,

CHAS. NAPIER,
Vice-Admiral and Commander-in-Chief.
The Secretary of the Admiralty.
