proceeding south-westerly along the boundary line separating the said parishes of *Michelmersh* and *King Somborne* as far as the north-eastern fence of field, No. 242 on the *Tithe Commutation Map* of the parish of *Michelmersh*, where such field adjoins the said road to *Ashley*; then proceeds along the middle of that road in a southerly direction as far as the cross roads eastwards of *Pitt House*; then proceeds from such cross roads north-westerly along the middle of the road leading to *Hall Farm*, until it reaches the fences separating that farm from fields, Nos. 265, 264, and 271 on the said map, along the fences of which farm and fields the boundary line then proceeds in a southerly and westerly direction, when it enters the road leading from *Hall Farm* to *Michelmersh*, and proceeds along the middle of that road southerly to the point where the boundary line, separating the parish of *Michelmersh* from the parish of *Timsbury*, meets the said road; then proceeds southerly along such boundary line until it reaches the boundary line of the parish of *Romsey*; then proceeds easterly along the boundary line separating the parish of *Michelmersh* from the said parish of *Romsey* as far as the north-western fence of field No. 981, on the *Tithe Commutation Map* of the parish of *Romsey*; then proceeds southerly along the western fences of fields Nos. 981 and 984, and the southern fence of field No. 989, on the last last-mentioned map, when the line again meets the boundary line which separates the said parish of *Michelmersh* from the parish of *Hursley*; then proceeds easterly along the boundary line separating the two last-named parishes until it reaches the road or lane separating field No. 33, in *Michelmersh* parish, from field No. 644, in the district parish of *Ampfield*; then crossing such road or lane proceeds along the southern fences of fields Nos. 644, 643, 651, 650, and 649, to the southern side of *Woolley Green*, and along the southern side thereof to the eastern side; then proceeds northerly up the eastern side of *Woolley Green* and the fence of field No. 627; then westerly along the northern fence of field No. 627, the pond No. 629, and of Nos. 628 and 630 on the last-mentioned map, and crossing the road continues northerly by the eastern fence of fields Nos. 631 and 633, to the point where the boundary line of the parishes of *Michelmersh* and *Farley* and the district parish of *Ampfield* meet; then proceeding in a northerly and westerly direction along the boundary line separating the said parish of *Michelmersh* from the parishes of *Farley* and *Ashley*, as far as the point where the boundary line of the

consolidated chapelry commenced, as the same is more particularly delineated on the map or plan hereunto annexed, and is thereon coloured pink, blue, and yellow.

"That the consents of the Right Reverend Charles Richard, Bishop of the said diocese of Winchester, and also patron in right of his see of the parish church of the said parish of Michelmersh, of the dean and chapter of the cathedral church of Winchester, patrons of the parish church of the said parish of Romsey, and of the Reverend John Keble, Master of Arts, Vicar and Incumbent of the parish of Hursley, in the county and diocese aforesaid, and as such vicar and incumbent, patron of the church of the said district parish of Ampfield, have been obtained to the formation of the said consolidated chapelry of Braishfield, as required by the Acts and sections hereinbefore mentioned, in testimony whereof the said Charles Richard, Bishop of Winchester, and John Keble have signed and sealed this representation, and the said dean and chapter have hereto affixed their common seal.

"Your Majesty's said Commissioners therefore humbly pray that your Majesty will be graciously pleased to take the premises into your royal consideration, and to make such Order in respect thereto as to your Majesty in your royal wisdom shall seem meet."

Her Majesty having taken the said representation, together with the map or plan thereunto annexed, into consideration, was pleased, by and with the advice of Her Privy Council, to approve thereof, and to order, and it is hereby ordered, that the consolidated chapelry therein mentioned for the consecrated church of All Saints, at Braishfield, in the parish of Michelmersh, be accordingly formed, and that the agreement mentioned in the said representation, in respect of the right of presentation and appointment of an incumbent or perpetual curate to serve the said church, be carried into effect, agreeably to the provisions of the said Acts; and that the right of presentation and nomination to the said church shall belong to, and, whenever occasion may require, be exercised by, the Reverend John Pierce Maurice, Master of Arts, rector and incumbent of the said parish of Michelmersh, during his incumbency thereof, and from and after his avoidance of such incumbency, that such right of presentation and appointment as aforesaid, shall belong to and be vested in, and, whenever occasion may require,

*Board of Trade, Whitehall,
December 3, 1855.*

THE Right Honourable the Lords of the Committee of Privy Council for Trade and Plantations have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Consul-General at Leipzig, reporting the appearance of an Imperial Decree in the Gazette of Saint Petersburg, prohibiting the exportation of corn and grain from the whole European frontier of Russia, as well as from the Kingdom of Poland, wheat however being allowed to be exported from the Customs' stations of the latter country.

*Board of Trade, Whitehall,
December 3, 1855.*

THE Right Honourable the Lords of the Committee of Privy Council for Trade and Plantations have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch from Her Majesty's Consul-General at Hamburg, forwarding a translation of a further notification respecting the levying of a rate on ships, in consequence of

the completion of the deepening of the Trave and its estuary, of which the following is a copy:—

Whereas in the notification of the 29th of February, 1840, respecting the levying of a rate in consequence of the measures taken for deepening the Trave and its estuary, a proviso having been made for raising this rate after the completion of the works executed in conformity with the plan for the regulation of the river, and the Senate, in accordance with the Commons (Bürgerschaft) having decided that the said works being now completed, the rate in question shall be raised, the Senate, conformable to this joint decision, annulling at the same time the dispositions contained in the notification of the 29th of February, 1840, hereby decrees and publicly makes known as follows:

1. From this 1st of January, 1856, all sailing vessels and steamers of more than 30 lasts burden, arriving or leaving here, will have to pay the rate levied for deepening the Trave according to the following tariff:—

A. Laden, 6 schilling per last of 4120lbs.*

B. Exceptionally when laden with timber, 4 schilling per last of 4120lbs.

C. In ballast or empty, 2 schilling per last of 4120 lbs.

2. The rate will be collected by the Customs and Excise Department, according to the tonnage ascertained by Lübeck measurement, and the certificate of measurement granted thereon, conformable to the instructions annexed to the decree of the 30th of January, 1850, respecting the measurement of sea-going vessels, and has to be paid on entry and departure, and by sailing vessels at the same time as the tonnage dues.

3. Ships laden to not more than one-tenth part of their total capacity pay as empty ships, two schilling per last.

Ships which, besides timber, are also partly laden with other goods, pay, when such goods fill a space not exceeding one-tenth of the total capacity of the vessel, the rate of timber-laden ships, four schilling per last.

Whoever lays claim to one of the two exceptional cases above mentioned, has to certify the same to the Customs and Excise Department; for which, as a rule, the bill of lading for inward, and a ship broker's certificate for outward bound vessels, will suffice; the Customs and Excise Department retaining, however, the right of ordering a search to be made when expedient.

4. Mail packet-ships, and other vessels sailing under state flags, are, as *such*, not subjected to the rate levied for deepening the Trave; but mail packet-ships, carrying passengers or goods, will have to pay the rate conformable to the above regulations.

And also the following translation of a Supplement to the above Notification:

The regulations contained in the Notification of the 29th February, 1840, relative to the rate for the deepening of the Trave, together with the dispositions respecting the *Dredging dues*, taken from the said notification, and incorporated (under 7) in the Decree of the 30th of January, 1850, respecting the shipping dues for sea traffic and the passage on the Lower Trave, shall, upon and from the 1st of January, 1856, cease to operate (be repealed).

* 13 schilling currency = 1 shilling sterling.
1 Lübeck lb. = 1.07 lb. avoirdupois.

MARINE BARRACK CANTEENS, AT PORTSMOUTH AND PLYMOUTH.

Department of the Comptroller for
Victualling, Somerset-House,
November 16, 1855.

NOTICE is hereby given, that on Thursday the 6th December next, at one o'clock, the Canteens in the above-mentioned barracks will be let from the 31st December next, to the 1st January, 1859, by order of the Lords Commissioners of the Admiralty.

No person but of unexceptionable character, nor any person for more than one Canteen, or who will not undertake *bonâ fide* to reside in or occupy the Canteen, and conduct the business thereof in his own person, will be approved; and two sureties will be required for the regular payment of the rent, and of all sums which may become due in respect to the said Canteen, and for the due performance of the several conditions and stipulations of the indenture of lease. The revenue or other licences to be paid by the tenant.

The person whose proposal shall be accepted, and his sureties, must execute an indenture of lease and covenants relating thereto, the particulars whereof may be known by applying to this Office, or to the Barrack Masters at Portsmouth and Plymouth.

The Christian and Surnames of two respectable persons, with their professions and places of abode, who will join the tenant in executing the indenture of lease as his sureties, must be inserted in the proposals. The tenant is to pay half the value of the stamps on the indenture of lease upon executing the same, and it is to be understood that the said Commissioner's will not undertake to procure the tenant a licence.

A printed form of the tender and indenture of lease may be had at this office, or on application to the said Barrack Masters. No tender will be received after one o'clock, on the day of treaty, and it will not be required that the party tendering, or an agent on his behalf should attend at the office on the day of treaty, as the result of the offer received from each person will be communicated to him, and his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words, "Tender for Marine Barrack Canteen," and must also be delivered at the Office of the Comptroller for Victualling at Somerset-house.

By the Mutiny Act, Canteens are not liable to have troops billeted on them.

As the persons becoming tenants of the Canteens will be bound to the strict performance of the covenants of the indenture of lease, and to the full payment of the rent and privilege of sale to the troops, without any remission or reduction under any circumstances whatever, they are hereby cautioned to make themselves fully acquainted with the conditions of letting, prior to their making a proposal.

The rents of the Canteens as tenements or dwellings are to be proposed at the sums stated below, therefore the biddings will be upon what is offered for every ten men per month, exclusive of sergeants occupying the barracks, the number being ascertained from the Barrack Master's returns, made up at twelve o'clock at noon on the first day of every month, and no changes in the occupation of the barracks which may take place in the progress of the month, either for or against the tenants, will be taken into account. No less number than ten will be charged against the tenant, nor will any odd number be calculated: thus, if the barracks should be occupied by 148 men on the first day of the month, only 140 will be calculated for that month. The bidders are also desired to introduce no fractional parts of a penny in their offers, as they will not be noticed, nor will any tenders be noticed except such as are strictly according to the form furnished.

CONTRACT FOR RUM.

Department of the Comptroller for Victualling, Somerset-House, November 27, 1855.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that, on Thursday the 13th December next, at one o'clock, they will be ready to treat with such persons as may be willing to contract for supplying and delivering into Her Majesty's Victualling Stores, at Deptford,

Rum, 100,000 gallons; half to be delivered in three weeks, and the remainder in six weeks from the date of contract, or earlier if preferred by the party tendering.

Tenders may be made for the whole or any portion of the rum.

Their lordships reserve to themselves the power, when the tenders are opened, of contracting either for the whole, or for such part thereof only, as they may deem fit, or for a greater quantity, or of not contracting for any, and also an unlimited power of selection.

The rum to be exempted from the Customs' duties, and parties tendering are to state where it is lying.

Samples of the rum to be sent in pints for each Import Mark, and the average strength of each Mark Ex to be stated, and not an average of different marks or strengths of several imports; and any parcel of rum that is found not to be of the same quality, mark, or average strength of the sample tendered and accepted, will be rejected by the Officers.

The samples produced by persons whose tenders are not accepted, are requested to be taken away by them immediately after the contract has been decided.

No tender will be received unless made on the printed form provided for the purpose, and which may be obtained on application at the said Office, or at the Victualling Yards at Gosport and

Plymouth, or to Commander Bevis, conducting the Packet Service at Liverpool, or to the Collector of Customs at Bristol.

The conditions of the revised contract, to which particular attention is called, may be seen at the said Office, at the Victualling Yards at Gosport and Plymouth, and also at Liverpool and Bristol.

No tender will be received after one o'clock on the day of treaty, and it will not be required that the party tendering, or an agent on his behalf, should attend at the Office on the day of contract, as the result of the offer received from each person will be communicated to him and his proposed sureties in writing.

Every tender must be addressed to the Secretary of the Admiralty, and bear in the left-hand corner the words "Tender for Rum," and must also be delivered at Somerset-house.

CONTRACTS FOR TALLOW AND SOFT SOAP.

Department of the Storekeeper-General of the Navy, Somerset-Place, November 28, 1855.

THE Commissioners for executing the office of Lord High Admiral of the United Kingdom of Great Britain and Ireland do hereby give notice, that on Tuesday the 11th December next, at two o'clock, they will be ready to treat with such persons as may be willing to contract for supplying Her Majesty's Dock Yard at Woolwich with

50 tons of Russia White or English Tallow,
and
