"Whereas by the Municipal Corporations Act, 1882, it is enacted that where a petition for a Charter of Incorporation is referred to the Committee of Her Majesty's Most Honourable Privy Council, and it is proposed by the Charter to extend the Municipal Corporations Act to the Municipal Borough to be created by the Charter, the said Committee of Council may settle a scheme for the purposes in the said Act named and containing such provisions as are in the said Act particularized:

"And whereas certain inhabitant householders from the Local Government District of Mansfield, in the county of Nottingham (the area of which district is co-extensive with the parish of Mansfield) petitioned Her Majesty the Queen, praying for the grant of a Charter of Incorporation:

"And whereas the said petition for a Charter was referred to the Committee of Council, and it was proposed by the Charter to extend the Municipal Corporations Acts to the Municipal Borough to be created by the Charter:

"And whereas by Charter dated the second day of June, one thousand eight hundred and ninety-one, a part of the said district and parish was created a Municipal Borough by the name of the borough of Mansfield and the said Charter extends the Municipal Corporations Act 1882 to the said borough of Mansfield:

"And whereas under and by virtue of an Act of Parliament made and passed in the fourth year of the reign of His late Majesty King George the Fourth entitled 'An Act for Improving, Paving, Lighting, Cleansing and Watching the town of Mansfield in the county of Nottingham,' hereinafter called the Mansfield Improvement Act certain Commissioners called or known by the name of the Mansfield Improvement Commissioners (hereinafter called the 'Improvement Commissioners') were appointed for carrying into execution the said Act, which authorized the making of certain rates and generally provided for the government of the town of Mansfield aforesaid:

"And whereas the said town of Mansfield was an Improvement Act District within the meaning of the Public Health Acts 1872 and 1875 and became under the provisions of the said Act of 1872 and as from the date thereof an Urban Sanitary District and the said Commissioners became from the same date the Urban Sanitary Authority for such district under the said Acts of 1872 and 1875:

"And whereas by 'The Local Government Board's Provisional Orders Confirmation Act, 1874 (No. 5),' a Provisional Order was confirmed for partially repealing and amending the Mansfield Improvement Act:

"And whereas the said Improvement Commissioners have borrowed certain sums of money upon the security of rates leviable by them under the provisions of the said Acts of Parliament:

"And whereas by 'The Mansfield Improvement Commissioners Gas Act, 1878,' and a deed made in pursuance thereof the undertaking was transferred to the Improvement Commissioners their successors and assigns for ever, and the same Act empowered the Improvement Commissioners to supply gas within the limits defined in the said Act as well without as within their district:

"And whereas the said Act of 1878 was amended by a Provisional Order confirmed by the Local Government Board's Provisional Orders Confirmation Act 1885, and by a further Provisional Order confirmed by the Local Government Board's Provisional Orders Confirmation Act, 1889 (No. 8) the said Act of 1878 was further amended and the said Mansfield Improvement Act was repealed:

"And whereas by an Order under the seal of 'The Board of Charity Commissioners for England and Wales' made on the twenty-second day of February, one thousand eight hundred and eighty-four, in the matter of the Charity called 'The Eight Men's Intake' in the parish of Mansfield in the county of Nottingham; and in the matter of 'The Charitable Trusts Acts, 1853 to 1869,' the Charity Commissioners did order that the Chairman of the Local Board for the Local Government District of Mansfield aforesaid should be one of the three ex-officio Trustees of the said Charity, and that if and whenever a representative Trustee of the said Charity vacated office before the expiration of his full term his successor should be appointed by the said Local Board:

"And whereas by the scheme made by the Commissioners appointed for the purposes of 'The

Endowed Schools Act, 1869,' for the management of the Free Grammar School of Queen Elizabeth at Mansfield aforesaid, approved by Her Majesty in Council at a Court held at Windsor on the twenty-eighth day of June, one thousand eight hundred and seventy-five, it is provided that one of the three ex-officio members of the governing body of the said school shall be the Chairman of the Local Board for the Local Government District of Mansfield, and that if and whenever a representative governor of the said school vacates office before the expiration of his full term, his successor shall be appointed by the said Local Board :

"And whereas it is expedient that provision be made for the continuance, transfer, and vesting and extension of the gas undertaking of the Improvement Commissioners as such Local Board, and other the property, rights, powers and privileges conferred by, or acquired under the said Gas Act of 1878, and Acts if any amending the same, and also conferred by or acquired under the said order of the Charity Commissioners and the said order of the Endowed School Commissioners, as by this scheme mentioned :

"And whereas it is expedient that a scheme should be made and settled containing the provisions hereinafter set forth :

ployed by the Council of the said borough, nor offered by the said Council a position in their employ of a similar character, and of an equal value to that formerly held by him, he shall be entitled to be paid, by way of compensation for the loss of his position, out of the funds of or under the control of the Mayor, Aldermen, and Burgesses of the borough of Mansfield, acting by the Council as the Urban Sanitary Authority for the said Municipal Borough, such gratuity or annual allowance as, on a full consideration of the circumstances of the case, may seem to the Lords Commissioners of Her Majesty's Treasury, or any two or more of them, to be a reasonable and just compensation for the loss of his position, and the said Commissioners, in awarding the said compensation, shall be guided by the principles which would be applicable in the case of an award of compensation under the provisions of the Superannuation Act, 1859, to a person retiring or removed from the public service in consequence of the abolition of his office. Provided that no special minute within the meaning of the said Act, stating any special grounds for granting such allowance shall be necessary, or be made. Provided, nevertheless, that if any such officer be so employed by the said Council, and discharged by them (otherwise than for misconduct), within two years of the first day of November, one thousand eight hundred and ninety-one, he shall be entitled to compensation in the same manner as if he had not been employed by the said Council. Provided that the term "officer" shall include only persons employed by the Improvement Commissioners whose salaries or emoluments are payable at intervals of not less than one month, and no other persons. Provided, also, that the said Lords Commissioners, or any two or more of them, shall be the sole judges as to the right, title, or claim, of any officer to any compensation whatever, and as to the amount thereof, and the said Lords Commissioners, or any two or more of them, shall be the only judges upon any question which may arise under this clause, and, further, every determination of the said Lords Commissioners upon any such right, title, claim, amount, or question, shall be absolutely final and conclusive, and every such officer shall have such rights only under this clause as the said Lords Commissioners, or any two or more of them, consider just and reasonable. Any determination of the said Lords Commissioners, or any two or more of them, may be evidenced by writing under the hands of any two of them.

"13. No act or omission done or made, or purporting to be done or made, under the said Act of 1878; or the said Intake and Grammar School schemes respectively, between the commencement of this scheme and the confirmation thereof by Parliament, or Order in Council (as the case may be) shall be invalidated by this scheme, but such act or omission shall be and continue valid, if the same would have been valid but for the retrospective operation of this scheme.

"14. The Accounts of the Improvement Commissioners and their officers shall be (as soon as conveniently may be) audited by the District Auditor of the Local Government Board in like manner, and subject to the like powers, duties, provisions, and right of appeal as if the Charter had not been granted; the provisions of sections 247 and 250 of the Public Health Act, 1875, as amended by the District Auditors Act, 1879, and any regulations duly issued by the Local Government Board; with respect to the audit of accounts of Local Boards, and of their officers; shall apply to such audit; and the provisions of this scheme,

with respect to the Improvement Commissioners, shall be construed so as to admit of such exceptions as may be necessary to enable such audit to be duly made, but such exceptions shall be strictly limited in time, extent, character, and operation to the purposes of such audit. Any money certified by the District Auditor to be due from any person shall be paid to the Borough Treasurer.

"15. All bye-laws or orders made under or in pursuance of the Public Health Act, 1875, and all regulations made in pursuance of section 34 of the Contagious Diseases (Animals) Act, 1878, and section 9 of the Contagious Diseases (Animals) Act, 1886, shall continue in force and be enforced in the said borough to the same extent in which they are now in force and enforceable within the Local Government District of Mansfield, substituting only the Mayor, Aldermen, and Burgesses of the Borough of Mansfield and their officers for the Improvement Commissioners and their officers. The said bye-laws and regulations may be altered, amended, or revoked as if they were bye-laws and regulations duly made by the Mayor, Aldermen, and Burgesses of the Borough of Mansfield acting by the Council of the Borough under the said Acts."

(2.) Buoys showing the pointed top of a cone above water shall be called conical, shall be painted red, and shall always be Starboard Hand buoys, as above defined.

(3.) Buoys showing a flat top above water shall be called can, shall be painted black, and shall always be Port Hand Buoys, as above defined.

(4.) Buoys showing a domed top above water shall be called spherical, and when used to mark middle grounds shall always be distinguished by horizontal stripes of white colour.

(5.) Surmounting beacons, such as Staff and Globe, &c., shall always be painted of one dark colour.

(6.) Staff and Globe shall only be used on Starboard Hand Buoys, Staff and Cage on Port Hand, Diamonds at the outer ends of middle grounds, and Triangles at the inner ends.

(9.) The buoyage of Sorrento and Cole's Channel, Port Phillip, also of Western Port, Port Albert, and Corner Inlet, will remain of the same shape as heretofore, but all starboard hand buoys or beacons shall be painted red, and all port hand buoys or beacons shall be painted black.

(10.) The alterations in the buoyage of the several ports and channels, have been, and will be, made during the following months and years:—

Western Port, September, 1891.

(12.) When a wreck-marking vessel is used, she shall exhibit:—

By day: Three balls 20 feet above the level of the sea, two placed vertically at one side of the vessel, and one on the other side, the single ball being on the side nearest to the wreck.

To the Churchwardens and Overseers of the Poor of the Parish of Harpenden, in the County of Hertford;—

And to all others whom it may concern.

WHEREAS the population of the said parish of Harpenden, according to the last Census, exceeds two thousand persons;

And whereas at a Meeting of the Vestry of the said parish, held, pursuant to public notice in that behalf, on Thursday, the 2nd day of July, 1891, it was resolved,—
