The Local Government Act, 1888.

The Locomotives Act, 1898.

The Administrative County of Wilts.

NOTICE is hereby given that it is the intention of the Wilts County Council to apply to the Local Government Board for confirmation of the following Bye-laws made at a meeting of the said County Council held at Salisbury on Tuesday the first day of August, 1899.

Bye-laws made by the County Council of the Administrative County of Wilts with respect to Locomotives in the Administrative County of Wilts.

For prohibiting or restricting the use of locomotives on any specified highway in the county on account of the highway being crowded or unfitted for locomotive traffic, or of the inconvenience caused to inhabitants, or of any other reasonable cause; and for regulating the use of locomotives and of waggons drawn by locomotives on any highway.

1. Throughout these Bye-laws the expression "the Council" means the County Council of the Administrative County of Wilts; and the expression "the County" means the Administrative County of Wilts, except the city of New Sarum.

2. A person in charge of a locomotive shall not use the locomotive on either of the highways in the town of Bradford-on-Avon, called or known respectively as Mason's-lane and Market-street, the same being highways whereon the use of locomotives is hereby prohibited on account of such highways being unfitted for locomotive traffic.

3. A person in charge of a locomotive on any highway shall not use the locomotive to draw more than four unloaded waggons, with or without any waggon solely used for carrying water for such locomotive.

Provided that this prohibition shall not apply in any case, where, on application to the Council, or so far as regards any highway situated in a municipal borough, to the Council of that borough, for permission to use a locomotive on any specified

journey to draw more than four unloaded waggons, with or without any waggon solely used as aforesaid, such Council may grant such permission.

4. A person in charge of a locomotive shall not cause or suffer the locomotive to remain stationary on any part of a highway for more than twenty minutes at any one time.

Provided that this Bye-law shall not be deemed to apply in any case where the stopping of the locomotive for a longer period than twenty minutes

(a.) is necessary in order to enable the person using the locomotive, or any waggon attached thereto, to comply with the requirements of any statutory provision or Bye-law for the time being in force for the regulation of the use of locomotives; or

(b.) is rendered necessary by accident, or other unavoidable cause.

5. Where for a continuous length exceeding one hundred yards a highway comprises a carriageway or cartway of a width less than sixteen feet, a person in charge of a locomotive shall not cause or suffer the locomotive to enter upon the carriageway or cartway unless and until

(a.) he shall have ascertained that throughout the length aforesaid the carriageway or cartway is clear of vehicles; and

(b.) a person accompanying the locomotive shall have preceded the locomotive to a sufficient distance to warn the drivers of vehicles of the approach of the locomotive.

6. A person in charge of a locomotive shall not cause or suffer the locomotive, or any loaded waggon attached thereto, to remain stationary on any highway so that any wheel of the locomotive or waggon rests on any bridge, arch or culvert, or within ten feet from the face of the abutment of any bridge, arch, or culvert.

Provided that this prohibition shall not be deemed to apply in any case

(a.) where, in pursuance of the statutory provision in that behalf, a locomotive may be required to be instantly stopped; or

(b.) where the stopping of a locomotive may be rendered necessary by accident, or other unavoidable cause.

7. A person in charge of a locomotive on any highway who may be required by any officer of the Council, police constable, or other person duly authorized in that behalf, to stop the locomotive, for the purpose of enabling such officer, constable, or other person to ascertain by examination whether any provision of any statute or Bye-law applicable to the locomotive, or any waggon attached thereto, has been or is duly complied with, shall forthwith cause the locomotive, if in motion, to stop, and shall not cause or suffer the locomotive to be again set in motion until such time shall have elapsed as may be reasonably necessary for the purpose of such examination.

The person in charge of the locomotive shall, in connection with such examination, give all reasonable assistance that may be demanded by the officer, constable, or other person requiring the locomotive to be stopped.

8. Nothing in these Bye-laws (with the exception of Bye-laws Nos. 5 and 6) shall apply to a steam roller for the time being employed as such by any road authority within its jurisdiction within the county.

9. From and after the date of the confirmation of these Bye-laws, the Bye-laws with respect to locomotives which were made by Her Majesty's Justices of the Peace for the county of Wilts, in Quarter Sessions assembled, on the sixth day of January, in the year one thousand eight

hundred and eighty, and on the sixteenth day of October, in the year one thousand eight hundred and eighty-three respectively, and which were confirmed by the Local Government Board on the twenty-eighth day of January, in the year one thousand eight hundred and eighty, and on the twelfth day of August, in the year one thousand eight hundred and eighty-four respectively, shall be repealed.

And notice is hereby further given, that a copy of the Bye-laws so made as aforesaid may be inspected by any ratepayer at the office, at Arlington House, Trowbridge, of the Clerk of the County Council of the Administrative County of Wilts, on any week-day between the hours of ten in the forenoon and four in the afternoon during a period of one calendar month from the date of the publication of this notice.
