Board of Trade, 7, Whitehall Gardens, London.

FOR the purposes of the Electric Lighting Acts, 1882 and 1888, and of the Electric Lighting (Scotland) Act, 1890, and all Provisional Orders and Licences made and issued thereunder, the Board of Trade approve of the pattern and construction of the meter (hereinafter described) for the measurement of electrical energy, when supplied on the constant potential alternating current system, namely:—

The meter deposited at the Board of Trade on the 1st December, 1900, by or on behalf of the British Westinghouse Electric and Manufacturing Company, Limited, of Westinghouse Building, Norfolk-street, Strand, London, W.C., and sealed by the Board of Trade, and known as the Shallenberger Alternating Current Integrating Watt meter.

The Board of Trade further approve of the means provided for fixing meters of this description and for connecting them with the service lines as described in the specification and instructions deposited with the meter at the Board of Trade and dated and numbered May 17, 1901, and F. & H. 4723.

Signed by Order of the Board of Trade this 17th day of May, 1901.

T. H. W. Pelham, Assistant Secretary,
Board of Trade.
