(4.) The Local Authority may, with the written consent of the owner of the animal, apply the mallein test to any animal detained under this Article, and they shall apply the test to any such animal as soon as practicable after being so requested by the owner. The application of the test shall be made by a Veterinary Inspector of the Local Authority.

(5)—(i.) Where the application of the test by the Local Authority results in definite evidence of disease in an animal, it shall be slaughtered by the Local Authority with all practicable speed.

(ii.) Where in the opinion of the Veterinary Inspector the application results in indications of the disease not amounting to definite evidence of disease, the test shall be applied a second time not later than twelve days after the previous application.

(iii.) Where in the opinion of the Veterinary Inspector the original application results in no indications of disease, or the second application does not result in definite evidence of disease, the Notice served under this Article

shall cease to operate as regards the animal tested at the expiration of forty-eight hours after the application of the test.

(iv.) The result of an application of the test shall forthwith be communicated in writing by the Veterinary Inspector to the owner or person in charge of the animal tested.

8. If the owner of any horse, ass, or mule gives notice in writing to the Local Authority, or to their Inspector or other officer, that he objects to the horse, ass, or mule being slaughtered under the provisions of this Order, it shall not be lawful for the Local Authority to cause that horse, ass, or mule to be slaughtered except with the special authority of the Board first obtained.

*Post-mortem Examination of Slaughtered Animals.*

9.—(1.) In the case of every animal slaughtered under this Order, in which at the time of slaughter the clinical symptoms are not definite evidence of disease, the carcase shall as soon as practicable be examined by a Veterinary Inspector of the Local Authority. Notice of intention to make such examination shall be given to the owner of the animal, who shall be entitled to be present at the examination in person or by a representative who, if the owner thinks fit, may be a veterinary surgeon.

(2.) The Veterinary Inspector shall at the conclusion of his examination give to the owner of the animal or his representative at the examination a statement of the result of the examination in the Form C set forth in the First Schedule hereto or to the like effect.

(3.) Where the owner of the animal or his representative is a veterinary surgeon, and in his opinion the decision of the Veterinary Inspector is incorrect, he may at or immediately after the examination require that the question as to the existence of disease shall be submitted to the Veterinary Officers of the Board, and in such case the Veterinary Inspector shall forthwith send to the Laboratory of the Board of Agriculture and Fisheries, Great Scotland Yard, London, S.W., all the materials necessary to enable those Officers to consider the question, together with a copy of his statement of the result of the examination.

(4.) A statement of the result of the examination signed by the Veterinary Inspector, or where there is a reference to the Veterinary Officers of the Board then a statement in the Form C set forth in the First Schedule hereto or to the like effect signed by one of such Veterinary Officers, shall for the purposes of this Order be conclusive evidence as to the result of the examination.

*Compensation for Slaughter.*

10.—(1.) Where the veterinary examination under the preceding Article does not show that the animal was affected with glanders, the Local Authority shall out of the local rate pay as compensation for the animal the full value of the animal immediately before it received the mallein test, but the sum paid shall not exceed fifty pounds for any horse or twelve pounds for any ass or mule.

(2.) Where the veterinary examination shows that the animal was affected with glanders the Local Authority shall out of the local rate pay as compensation for the animal one-half of the value of the animal immediately before it received the mallein test, but the sum paid shall not exceed twenty-five pounds for any horse, or six pounds for any ass or mule.

(3.) Where there is no veterinary examination under the preceding Article the Local Authority shall out of the local rate pay as compensation for an animal slaughtered under this Order such sum as the Local Authority think expedient, being a minimum of two pounds in the case of a horse and of ten shillings in the case of an ass or mule: Provided that in no case shall the amount of compensation, if above the said minimum, exceed one-fourth of the value of the animal immediately before it became diseased.

(4.) The value of an animal for the purpose of compensation shall, in case of dispute, be determined in manner provided by the Animals (Transit and General) Amendment Order of 1904.

(2.) The mode of disinfection shall be one of those prescribed by Article one of the Diseases of Animals (Disinfection) Order of 1906.

(3.) If any person fails to cleanse and disinfect any place, or any utensil, manger, feeding-trough, pen, hurdle, or other thing, or any van, cart, or other vehicle in accordance with any such Regulation, it shall be lawful for the Local Authority, without prejudice to the recovery of any penalty for the infringement of such Regulation, to cause such place, or such utensil, manger, feeding-trough, pen, hurdle, or other thing, or such van, cart, or other vehicle to be cleansed and disinfected, or to

(2.) A Local Authority may cause or allow a diseased horse, ass, or mule or a carcase of any such animal to be taken into the District of another Local Authority to be destroyed or buried, with the previous consent of that Local Authority or with a Licence in that behalf of the Board, but not otherwise.

- (ii.) Or the Local Authority may, if authorised by Licence of the Board, cause the carcase to be destroyed, under the inspection of the Local Authority, in the mode following : The carcase shall be disinfected, and shall then be taken, in charge of an officer of the Local Authority, to premises approved for the purpose by the Board, and shall be there destroyed by exposure to a high temperature, or by chemical agents ;
- (iii.) Or the carcase may be disposed of in any other manner authorised by Licence of the Board.

(2.) With a view to the execution of the foregoing provisions of this Article the Local Authority may make such Regulations as they think fit for prohibiting or regulating the removal of any such carcase, or for securing the burial or destruction of the same.
