1. No bushes shall be moved from any premises in the District described in the First Schedule to this Order (hereinafter referred to as "the Scheduled District") to any other premises, whether within the Scheduled District or not, except in accordance with the provisions of this Order, and where any premises in the same occupation are divided by a highway the several parts shall for the purposes of this Order be treated as separate premises.

*Licences Necessary for Movement of Bushes.*

2.—(1.) Notwithstanding anything contained in any other Order of the Board, bushes may be moved from any premises in the Scheduled District if such movement is authorised by a Licence signed by an Inspector of the Board.

(2.) If the movement is from premises which are not "infected premises" as defined by this Order, the Licence shall be in the Form A set forth in the Second Schedule hereto, or to the like effect, and each consignment or parcel of bushes moved under the authority of a Licence must, while in the Scheduled District, have attached to it either the Licence, or a label in the Form B set forth in the Second Schedule hereto signed by the occupier of the premises from which the bushes are moved, or his agent duly authorised in that behalf. A Licence under this provision may at any time be revoked by an Inspector of the Board by Notice served on or sent by post to the occupier of the premises to which the Licence refers. Unless so revoked a Licence will remain in force until the thirty-first day of March following its issue.

(d) The bushes during movement shall be accompanied by the Licence, which after the

movement and planting of the bushes shall be forthwith sent by post to the Inspector by whom it is signed.

(e) The occupier of the premises to which the bushes are moved shall at all times at the request of an Inspector of the Board or of the Local Authority of the District show the bushes to him and allow him to inspect them.

(f) If the proposed movement is to a ship for exportation the Licence may be granted in such Form and subject to such conditions as the Board may approve.

*Exceptions from Facilities for Movement.*

3. No bush shall be moved from any premises in the Scheduled District which is diseased or suspected of being diseased, or which has not been pruned in such manner as may have been required by an Inspector of the Board.

*Powers of Inspection of Licences and Labels.*

4. Any Inspector or other officer appointed in that behalf by the Local Authority, and any Inspector of the Board, may upon production if so required of his appointment or authority inspect any consignment or parcel of bushes which is being moved in the Scheduled District and take a copy of any Licence or label attached thereto.

*Notification of Order.*

5. This Order shall be published by each Local Authority affected by advertisement in a newspaper circulating in the District of the Local Authority and in such other manner as the Local Authority consider best fitted to insure publicity for the same.
