Admiralty, 6th March, 1917.

The KING has been graciously pleased to approve of the posthumous grant of the Victoria Cross to the undermentioned Officer in recognition of his most conspicuous bravery and devotion to duty in the course of the Battle of Jutland. The full facts have only now been ascertained.

Commander Loftus William Jones, R.N. (killed in action).

On the afternoon of the 31st May, 1916, during the action, Commander Jones in H.M.S. "Shark," Torpedo Boat Destroyer, led a division of Destroyers to attack the enemy Battle Cruiser Squadron. In the course of this attack a shell hit the "Shark's" bridge, putting the steering gear out of order, and very shortly afterwards another shell disabled the main engines, leaving the vessel helpless. The Commanding Officer of another Destroyer, seeing

the "Shark's" plight, came between her and the enemy and offered assistance, but was warned by Commander Jones not to run the risk of being almost certainly sunk in trying to help him. Commander Jones, though wounded in the leg, went aft to help connect and man the after wheel. Meanwhile the fore-castle gun with its crew had been blown away, and the same fate soon afterwards befell the after gun and crew. Commander Jones then went to the midship and only remaining gun, and personally assisted in keeping it in action. All this time the "Shark" was subjected to very heavy fire from enemy light cruisers and destroyers at short range. The gun's crew of the midship gun was reduced to three, of whom an Able Seaman was soon badly wounded in the leg. A few minutes later Commander Jones was hit by a shell, which took off his leg above the knee, but he continued to give orders to his gun's crew, while a Chief Stoker improvised a tourniquet round his thigh. Noticing that the Ensign was not properly hoisted, he gave orders for another to be hoisted. Soon afterwards, seeing that the ship could not survive much longer, and as a German Destroyer was closing, he gave orders for the surviving members of the crew to put on lifebelts. Almost immediately after this order had been given, the "Shark" was struck by a torpedo and sank. Commander Jones was unfortunately not amongst the few survivors from the "Shark," who were picked up by a neutral vessel in the night.

The following awards have also been made to the survivors of H.M.S. "Shark" for their services during the action:—

To receive the Distinguished Service Medal:—

ADMIRALTY NOTICE TO MARINERS.

No. 243 of the year 1917.

SCOTLAND NORTH-EAST COAST, ORKNEY AND SHETLAND ISLES.

Former Notice.—No. 106 of 1917; hereby cancelled.

Notice is hereby given that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty, and are now in force:—

(1) *Pentland and Moray Firths—Restriction of Traffic; Pilotage Regulations.*

The following regulations have been made with a view to safeguarding the interests of shipping in the Pentland and Moray firths:—

I.—RESTRICTION OF TRAFFIC.

1. No vessel, either British, Allied or Neutral, is to be in the area indicated in red on the accompanying portion of Admiralty Chart No. 2, from half an hour after sunset to half an hour before sunrise, unless at anchor. No vessel, however, is to anchor:—

(a) Anywhere along the coast between Tarbet Ness and North Sutor, except within one mile radius of Balintore;

(b) Anywhere off the south shore of the Moray firth between the meridians of Port Gordon and Burghead, except within three-quarters of a mile of the low water mark;

(c) Outside a distance of one mile of the coast in any other portion of the area indicated in red.

2. Vessels proceeding to ports in the Moray Firth should therefore endeavour to enter the firth in time to reach their destinations not later than half an hour after sunset. Should they not reach their destinations by that time they are to anchor, weather permitting, subject to the restrictions given in clause 1.

3. Any vessel contravening the foregoing regulations will run the gravest risk of being sunk.

Caution.—Neutral or Allied vessels are particularly warned that the passage through the Pentland Firth presents very grave risks to a

Westbound vessel and are strongly advised not to take it.

II.—PILOTAGE REGULATIONS.

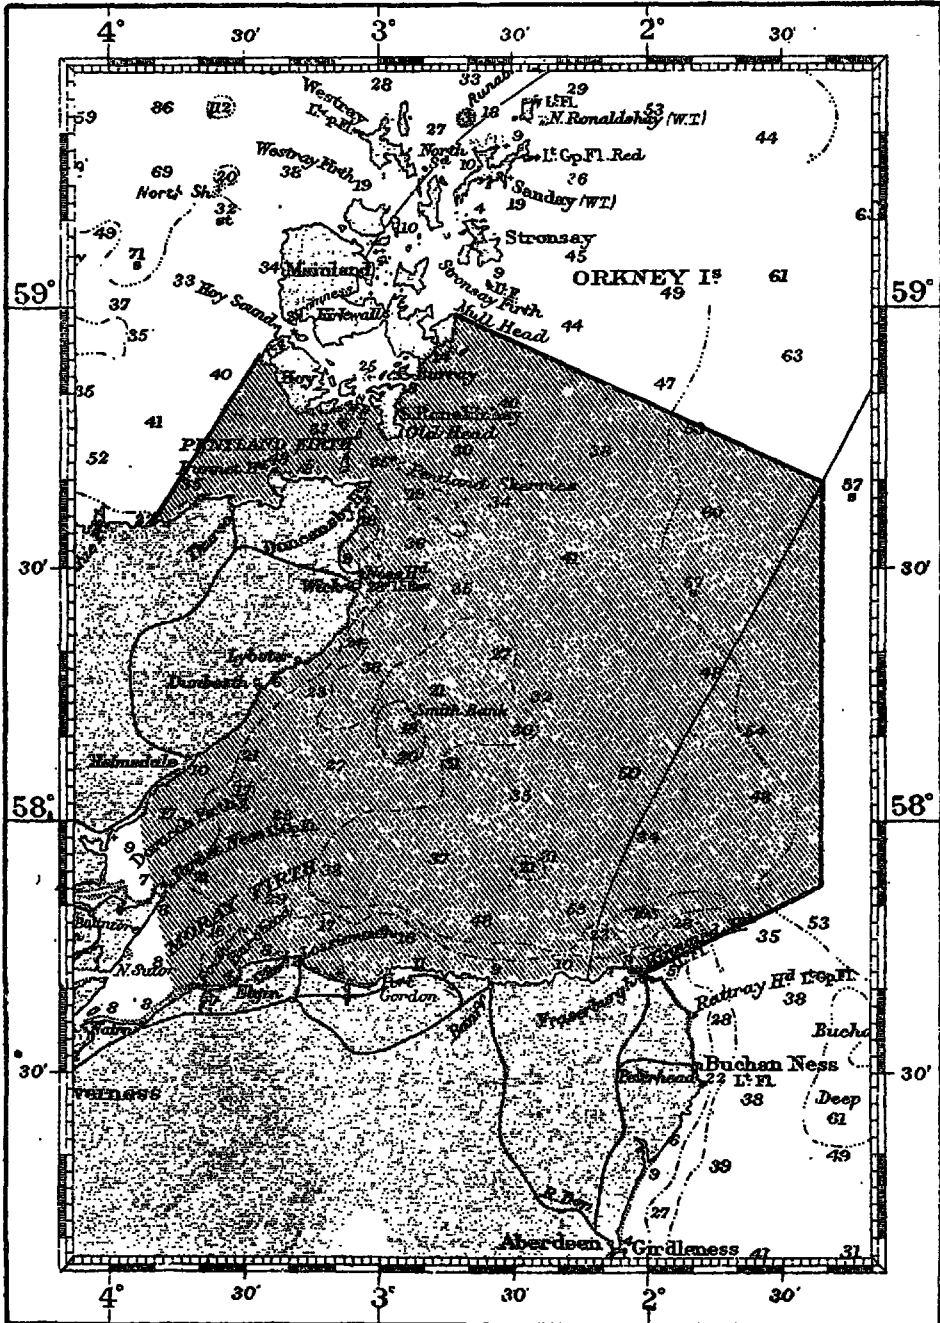

Pilotage is compulsory at the undermentioned ports for all vessels (including fishing vessels) which have a draught of over eight feet, and it is highly dangerous for any vessel to enter or leave such ports without a pilot. Fishing and other small vessels having a draught of over eight feet are to assemble at

way between sunset and sunrise in the waters contained between a line drawn from Tarbet ness to Findhorn, and a line drawn from Fort George to Chanonry point.

(2) Orkney Isles—Traffic Regulations.

I.—SCAPA FLOW AND APPROACHES.

1. All entrances are dangerous, and entry is absolutely prohibited by any of them except as provided in succeeding paragraphs.
2. Examination services have been estab-

the Pilotage stations, and will be conducted into and out of port in groups.

1. All vessels bound to Cromarty or Inverness must call for a pilot at Wick or Burghead.

Outgoing vessels are to discharge their pilots at one or the other of these places.

2. It is dangerous for any vessel to be under way to the south-westward of a line joining Tarbet ness and Findhorn without a pilot.

3. No vessels of any description other than H.M. Ships and Auxiliaries are to be under

lished in the entrances to Hoxa and Hoya sounds; vessels directed to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

3. No vessel is permitted to approach the entrance to Hoxa sound within a radius of 5 miles under any circumstances whatever, except when actually ordered to Scapa Flow.

4. The only vessels permitted to enter Hoya sound from the westward are those ordered to Stromness.

5. Vessels are not permitted to enter Hoxa or Hoy sounds by night in thick weather.

6. Passage through Cantick sound is entirely prohibited.

II.—PORT OF KIRK WALL AND APPROACHES.

1. The Port of Kirkwall shall comprise all enclosed waters of the Wide Firth and Kirkwall bay to westward of Thieves holm.

2. Merchant vessels shall obey all orders given them by the Admiralty Port Officer as regards anchoring or shifting position.

3. No vessel (other than H.M. Ships) shall enter or leave the Port of Kirkwall during hours of darkness, *i.e.*, between half an hour after sunset and half an hour before sunrise, except in special circumstances with special permission from the Admiralty Port Officer.

4. During foggy and thick weather, traffic in and out of the port is stopped, and no vessel shall approach the boom from either direction.

5. No vessel (other than H.M. Ships) or boat shall move in the harbour during hours of darkness as aforesaid. And no boat (other than those belonging to H.M. Ships) shall approach the shore or go alongside any pier in the Port of Kirkwall.

6. All vessels (other than H.M. Ships) entering or leaving the Port of Kirkwall shall be piloted in and out by a Pilot drifter, and are prohibited from entering or leaving harbour unless so piloted, save and except only (1) in the case of such British vessels as have a written exemption therefrom, issued by the Admiralty Port Officer, (2) when a liner is entering the harbour, the Pilot may at his discretion, when circumstances of tide and sea render it advisable, direct such liner to enter the harbour without being piloted, provided always that the gate is open for incoming traffic.

7. Vessels, when cleared, shall wait for the Pilot vessel to conduct them out of port.

8. Drifters engaged on pilot duty will fly the pilot flag (white and red, horizontal).

9. Incoming and outgoing traffic will be regulated by signals hoisted at the yardarm of the Boom trawler, and repeated at Hellier holm lighthouse.

10. Traffic signals are to be strictly obeyed, and no vessel shall approach the entrance against the signal.

11. The following Traffic signals will be displayed at the Boom and at Hellier holm:—

Gate "Open for Incoming Traffic":

By day—two Balls, vertical.

By night—a red light.

Gate "Open for Outgoing Traffic":

By day—a Cone, point uppermost.

By night—a green light.

Gate Closed:

By day—Three balls at Hellier holm.

By night—Three red lights at Hellier holm.

12. Vessels entering will, as a rule, be given priority over those leaving.

13. All outgoing vessels shall pass round the Turning buoy (red and white striped, spherical) moored approximately 285° (N. 56° W. Mag.), one mile from the entrance.

14. Incoming vessels will not pass round the Turning buoy, but will shape course as requisite for the anchorage on entering.

15. No outgoing vessel shall pass the Turning buoy, unless the signal for outgoing traffic is up. If the signal is against it, such vessel shall stop and wait in the neighbourhood of the Turning buoy.

16. No incoming vessel shall pass Hellier holm, unless the signal for incoming traffic is up at Hellier holm. If the signal is against it, such vessel shall wait in Shapinsay sound.

17. Incoming and outgoing vessels shall not pass through the gate simultaneously. If, through any misunderstanding, an outgoing and an incoming ship are approaching the gate simultaneously, then the outgoing ship shall give way, and shall turn round, and return to the Turning buoy, and there wait till such time as the entrance is clear.

18. As a rule only one ship will be conducted out at a time, but under exceptional circumstances, in the event of two ships being conducted out, then the pilot will give instructions as to which ship is to go first and the rear ship shall then keep a full half mile directly astern, and is on no account to close or overhaul or attempt to pass the ship ahead.

19. *Caution.*—Caution is necessary when approaching the boom, as the tidal stream does not set fairly through the opening and attains considerable velocity especially on the ebb or west-going stream, which sets in a north-westerly direction.

Variation.—19° W.

(3) *Shetland Isles*—Traffic of Neutral Vessels prohibited.

No vessels other than those of British Nationality or those of the Allied Nations, except vessels calling for the purpose of Examination, shall enter any ports or harbours in, or anchor off any part of, the coasts of the Shetland Isles until further notice.

Note.

This Notice is a revision of the former Notice quoted above.

Caution.

This Admiralty Notice to Mariners is issued under the provisions of the Defence of the Realm Regulations, and failure to comply strictly with the directions contained in it will constitute an offence against those Regulations.

Any person found guilty of such an offence is liable to severe penalties both of imprisonment and fine.

Any person aiding or abetting the commission of such an offence is himself guilty of an offence against the Regulations.

Attention is also drawn to the fact that any infringement of the directions contained in this Admiralty Notice to Mariners is liable to result in the detention of the ship or vessel.

Authority.—The Lords Commissioners of the Admiralty.

By Command of their Lordships,

J. F. PARRY,

Hydrographer.

Hydrographic Department, Admiralty,
