Civil Service Commission,
January 31, 1939.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of His Majesty's Treasury, viz. :—

SPECIAL REGULATIONS FOR THE RECRUITMENT BY COMPETITIVE SELECTION OF ASSISTANT EXAMINERS IN THE PATENT OFFICE, BOARD OF TRADE.

N.B.—Competitions under these Regulations are open both to men and women. The Regulations are liable to alteration from time to time.

1. Candidates must have attained the age of 20 and must not have attained the age of 25 on the 1st March of the year in which the competition is held.

In reckoning age for competition the following allowances will be made, viz. :—

(a) Candidates who have served or are serving in the Army, Navy or Air Force may deduct from their actual age any time during which they have so served.

(b) Candidates who have served in any established civil situation to which they were admitted with the Certificate of the Civil Service Commissioners may deduct from their actual age any time not exceeding two years which they may have spent in such service.

2. Every candidate must be a natural-born British subject, the child of a person who is or was at the time of death a British subject; provided that exception may be made in the case

of natural-born British subjects who have satisfactorily completed a period of not less than five years' service on full pay in His Majesty's Regular Forces.

Provided also that if the Civil Service Commissioners are satisfied in the case of any candidate who is a British subject but does not fulfil all the requirements of the rule as to nationality and descent, that the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions that an exception may properly be made to that rule, they may accept such candidate as eligible provided that this discretion shall not be exercisable unless (a) the father or the paternal grandfather of the candidate was a natural-born British subject, and (b) neither the father nor the paternal grandfather had acquired any other nationality by naturalization or by any other voluntary and formal act.

3. Persons holding situations in the Civil Service must obtain the permission of the authorities of their Department to apply for appointment.

No person actually serving in the Navy, Army or Air Force will be eligible for consideration unless he produces, when called upon to do so, the permission of his Commanding Officer to apply for appointment, dated before his appearance before the Selection Board, and given in accordance with such orders as may from time to time be issued.

Persons upon whose training for the occupation of teacher public money has been spent, cannot be appointed until the consent of the appropriate education authority has been notified to the Civil Service Commissioners.

4. Applications for admission to a competition for these appointments must be made at such time and in such manner as the Civil Service Commissioners may appoint; an application cannot be recorded until a competition has been announced.

5. The Civil Service Commissioners will take such steps as they think most appropriate to make known the existence of any vacancies which it may be desired to fill on any one occasion.

6. Candidates should have studied one or more of the following subjects: mechanical engineering, electrical engineering, chemistry, physics, at an institution of university rank, and have passed examinations qualifying for a degree, or equivalent. Preference will be given to candidates with a good honours degree. A reading knowledge of one or more modern foreign languages will be a qualification.

7. When the list of applications in respect of the competition has been closed, the credentials of all the candidates will be examined by the Civil Service Commissioners and the Patent Office; and those candidates who appear to have the requisite qualifications and to be best fitted for appointment will be admitted to (a) an interview before a Selection Board, and (b) a written test in English. The Selection Board will be nominated by the Commissioners in consultation with the authorities of the Board of Trade, who will be represented upon it. The Selection Board will take into consideration the candidates' record of experience and education, any recommendations that they may receive from persons named by the candidates

as having direct knowledge of their work in the past, and the candidates' scientific knowledge and their personal qualities as shown at the interview; and on their estimation of all the above evidence the Board will frame their decisions, which will be final. The Selection Board will arrange the candidates in order of merit, and the vacancies will be filled by the appointment of the candidates in order from the list, subject to their passing the examination in English and satisfying the Commissioners that they are eligible in all respects.

8. The appointment of selected candidates will be subject to their satisfying the Civil Service Commissioners of their eligibility in respect of age, nationality, health and character, and will not be confirmed unless and until they have passed the prescribed period of probation to the satisfaction of the Board of Trade.

Women candidates must be unmarried or widows and will normally be required to resign their appointments on marriage; but exception to the rule requiring resignation on marriage may, in individual circumstances, be made where the employment of a married woman is considered advisable in the light of her special qualifications, or special experience in relation to the duties required of her, or of the special requirements of the Department.

9. A fee of 5s. will be required from every candidate applying for admission to a competition; this fee is not returnable in any circumstances. In addition, each candidate admitted to the written examination will be required to pay a fee of £1. A candidate selected for appointment will be required to pay a fee of £4, towards which the fees paid on application and on examination will count, before the issue of the certificate of qualification for appointment.

10. Candidates may submit with their application for admission to the competition reports or recommendations on their experience or qualifications from previous employers or the authorities at the colleges or schools at which they have been trained, or statements of any original work or publications or of any industrial experience they may have had in any of the subjects mentioned in Clause 6 of these regulations.

Any attempt, direct or indirect, on the part of candidates to enlist support for their applications through persons other than those mentioned in the previous paragraph will disqualify them for appointment.

The Civil Service Commissioners further give notice of a competition to be held under the foregoing Regulations. The written examination in English and the interviews by the Selection Board will be held in London only, commencing on the 12th April, 1939.

The number of appointments to be made on the result of this competition will be not less than 15, provided so many candidates are recommended by the Selection Board as fully qualified.

No person will be admitted to the competition from whom the Secretary of the Civil Service Commission has not received, on or before the 28th February, 1939, an application, in the candidate's own handwriting, on a prescribed form, which may be obtained from the Secretary at once.
