FRIDAY, 13 FEBRUARY, 1942

At the Court at *Buckingham Palace*, the 9th day of *February*, 1942.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have duly prepared and laid before His Majesty in Council a Scheme bearing date the 15th day of January, 1942, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, have prepared and now humbly lay before Your Majesty in Council the following Scheme for effecting a transfer of the ownership of the advowson or perpetual right of patronage of and presentation to the churches and cure (hereinafter called 'the said benefice') of Scawton with Cold Kirby, in the County and Diocese of York:

"Whereas we are satisfied that Henry William Ferdinand Bolckow of Marton-in-Cleveland in the said County of York, Esquire, is the patron or person entitled to present or nominate to the said benefice in case the same were now vacant:

"And whereas the said Henry William Ferdinand Bolckow desires to transfer the advowson of the said benefice to the Archbishop of York for the time being and is consenting to this Scheme (in testimony whereof he has executed the same):

"And whereas we are satisfied that the transfer will tend to make better provision for the cure of souls:

"Now, therefore, with the consent of the Right Honourable and Most Reverend William, Archbishop of York (in testimony whereof he has executed this Scheme) we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole advowson or perpetual right of patronage of and presentation to the said Benefice of Scawton with Cold Kirby shall be transferred to the said William Archbishop of York, and his successors in the same Archbishopric and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the Archbishop of York for the time being."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual

in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of York.

PUBLIC SCHOOLS ACT, 1868.

The Governing Body of Winchester College having on the 24th day of January, 1942, in exercise of the powers conferred upon them by the above-named Act, and of the Acts amending the same, and of all other powers enabling them in that behalf, made Statutes in the terms hereafter set forth, and the said Statutes having this day been laid before His Majesty in Council, are hereby published in the London Gazette in accordance with the provisions in that behalf contained in the said Act.

And notice is hereby given that any person, body of persons, or body corporate, authorized in that behalf by the said Act, may, within two months after the publication of this notification, petition His Majesty in Council to withhold His approval from the whole or any part of the said Statutes.

WINCHESTER COLLEGE.

STATUTES TO AMEND THE STATUTES OF THE COLLEGE CONCERNING SCHOLARS AND EXHIBITIONS AND BURSARIES.

WE, the Warden and Fellows of Winchester College, being the Governing Body of Winchester College, do hereby, in exercise of the powers of the Public Schools Act, 1868, and of the Acts amending the same, and of all other powers enabling us in that behalf, resolve and enact as follows:—

I.

A Statute for further amending Statutes of the College concerning Scholars.

1. Subject to the other provisions of this Statute, every Scholar of the College hereafter admitted shall pay the annual sum of one hundred guineas, which shall be paid in such instalments and at such times as the Warden and Fellows may from time to time direct. Subject to such payment, the Scholars shall be maintained and educated during their residence at School out of the income of the College:

Provided that the Warden and Fellows shall have power at any time and from time to time to vary the sum so payable for maintenance and education as circumstances may require, but any such variation shall not affect any Scholar elected before such variation has been made and come into force:

Provided also that the Warden and Fellows shall have power in the case of any Scholar, whose

financial position appears to them to require it, to remit from time to time any part of the annual sum of one hundred guineas or such other sum as may be payable as aforesaid. The Warden and Fellows shall determine the scale upon which such remission shall be made and the method by which the need of each Scholar shall be ascertained.

2. This Statute shall, as regards Scholars to whom it shall apply, be substituted for Section 10 of Statute XI and Section 2 of Statute XII of the Statutes of Winchester College approved by His late Majesty King Edward the Seventh in Council on the 24th day of October, 1904, as amended and further amended by Statutes approved by His late Majesty King George the Fifth in Council on the 26th day of April, 1920, and by His Majesty the King in Council on the 22nd day of February, 1940.

3. This Statute shall not apply to Scholars admitted or elected at any time before the approval of this Statute by His Majesty the King in Council or before the election of 1943, whichever shall be the later event. For such Scholars the above mentioned Sections, amended and further amended as aforesaid, shall remain in force.

4. This Statute shall come into force and commence immediately upon the approval thereof by His Majesty the King in Council.

II.

A Statute for further amending Statutes of the College concerning Competitive Exhibitions.

1. Exhibitions hereafter to be offered under Section 1 of Statute XII of the Statutes of Winchester College approved by His late Majesty King Edward the Seventh in Council on the 24th day of October, 1904, as amended by a Statute of the College approved by His late Majesty King George the Fifth in Council on the 14th day of October, 1941, shall be of such number in each year and of such value in each case as the Warden and Fellows may from time to time determine, having regard to the income of the College at their disposal.

2. Subject as aforesaid, all the provisions of Section 1 of the said Statute as so amended shall apply to such Exhibitions.

3. This Statute shall come into force and commence immediately upon the approval thereof by His Majesty the King in Council.

III.

A Statute to provide Bursaries for boys not on the foundation of the College.

1. The Warden and Fellows may award non-competitive Exhibitions called Bursaries to be held by boys in the School other than Scholars who by reason of their financial position are in the opinion of the Warden and Fellows unable to pay the full School fees.

2. The said Bursaries shall be of such amount, not exceeding one hundred pounds per annum, as the Warden and Fellows shall in each case determine, and shall be tenable for such period and subject to such terms and conditions as they shall direct.

3. The said Bursaries shall be of such number as the Warden and Fellows shall from time to time determine, having regard to the income of the College at their disposal and the remission of fees to Scholars and the provision of competitive Exhibitions.

4. The said Bursaries may be awarded to boys already in the School or to boys of a suitable standard, not yet in the School, to be held by them upon entering.

5. This Statute shall come into force and commence immediately upon the approval thereof by His Majesty the King in Council.

In witness whereof the Warden and Fellows of Winchester College have caused the College Seal to be hereunto affixed this 24th day of January, 1942.

Sealed with the College Seal in pursuance of a resolution passed at a meeting of the Warden and Fellows of Winchester College, duly convened and held this 24th day of January, 1942, and in the presence of

H. T. BAKER,
Warden.
