## REGULATIONS FOR THE RECRUITMENT OF PLANS ASSISTANTS IN H.M. LAND REGISTRY.

## 1. Age.

Candidates must be at least 16 and under 18 years of age on 1st September, 1953.

But candidates who have served in any established post to which they were admitted with the certificate of the Civil Service Commissioners, or who have served on established conditions except for sick leave and pension in a post to which such a certificate would normally apply, may deduct from their actual age any time not exceeding two years which they may have spent in such service before 1st September, 1953, provided that the maximum of two years may be extended by any period of compulsory service in H.M. Forces under the National Service Acts.

## 2. Sex.

Both boys and girls are eligible.

## 3. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

#### 4. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

#### 5. Examination.

The subjects of examination and the marks they will carry are as follows:—

(1) English	...	...	200
(2) Arithmetic	...	...	100
(3) Mathematics	...	...	200
(4) Drawing	...	...	200

Candidates will be arranged in order of merit according to their aggregate of marks in the examination as a whole. Even if there are unfilled vacancies, no candidate will be appointed who does not obtain an aggregate which satisfies the Civil Service Commissioners.

#### 6. Candidates trained as Teachers.

Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

#### 7. Fee.

An application fee of 7s. 6d. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances. A further fee of 12s. 6d., being the balance of the prescribed fee of £1, must be paid by each candidate on admission to the examination.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations commencing on 8th September, 1953.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before 9th July, 1953, an application on the prescribed form which may be obtained from the Secretary at once.

#### Civil Service Commission, 12th June, 1953.

The Civil Service Commissioners hereby give notice that the following Regulations are published with the approval of the Lords Commissioners of H.M. Treasury, viz.:—

#### REGULATIONS FOR RECRUITMENT FROM MEMBERS OF THE MINOR AND MANIPULATIVE GRADES OF THE CIVIL SERVICE TO THE GENERAL AND DEPARTMENTAL CLERICAL CLASSES OF THE HOME CIVIL SERVICE AND TO GRADE 6 POSTS IN BRANCH B OF THE FOREIGN SERVICE.

##### 1. Age.

Candidates must be under 30 years of age on 1st September, 1953; provided that the Commissioners may at their discretion admit to this competition a candidate aged 30 or over on that date if

(a) the candidate has since 1st July, 1950, been recalled from the Reserve for a period of service or training with H.M. Forces, and such period ended on or after his 27th birthday;

(b) during the period of such service or training he missed one or more Limited Competitions among members of the Minor and Manipulative Grades for the Clerical Classes and Branch B (Grade 6) of the Foreign Service for which he was in all respects eligible at the time;

(c) he has applied to compete in the second and every subsequent Limited Competition among members of the Minor and Manipulative Grades for the Clerical Classes and Branch B (Grade 6) of the Foreign Service for which he was eligible and for which the closing date for applications fell after his return from service or training with H.M. Forces, irrespective of whether or not he applied to compete in the first such competition; and

(d) he has not already been permitted to apply exceptionally under this proviso for admission to competitions up to the number of opportunities lost through service or training with H.M. Forces.

##### 2. Grades eligible.

Candidates must at the time of the examination be either

(a) members of the established Minor and Manipulative Grades of the Civil Service within the scope of the National Whitley Council, that is to say, non-industrial grades, other than the General and Departmental Clerical Classes, on scales of salary rising to not more than the maxima, for men and

women respectively, of the salary scales of those classes as they were on 1st May, 1953, any retrospective adjustments of scales which may be made after that date being disregarded; or

(b) members of an unestablished grade corresponding to an established grade covered by (a); or  
(c) serving in the Office of the Receiver for the Metropolitan Police District, the Office of the Crown Agents for the Colonies or Trinity House in a grade corresponding to a Civil Service grade covered by (a) or (b) above.

Clerical Assistants and members of the typing grades will not be eligible to compete. In the case of an officer who on 1st May, 1953, is substantively an established member of one of the Minor and Manipulative Grades of the Civil Service within the scope of the National Whitley Council, but who has received acting promotion, it is the substantive grade on 1st May, 1953, which determines eligibility under this Regulation.

##### 3. Length of Service.

Candidates must be at least 25 years of age and must have had not less than three years' full-time service on duties proper to an adult class; provided that

(a) Candidates whose full-time adult service began on or before 31st May, 1946, are exempted from the lower age limit of 25;

(b) Candidates who entered the Post Office as Boy Messengers or Girl Probationers before 2nd April, 1945 (whatever the date on which their full-time adult service began), are exempted from the lower age limit of 25 and also from the requirement of three years' full-time service on duties proper to an adult class.

In all cases the conditions must be satisfied by the first day of the examination, and the service must have been continuous.

##### 4. Sex and Marriage.

(i) Both men and women are eligible.

(ii) Married women are not eligible for appointment to Branch B of the Foreign Service; a woman member of Branch B must resign her appointment on marriage.

(iii) Married women who have formerly been established civil servants and have drawn marriage gratuity (other than those who retired compulsorily on marriage and whose resignation took effect before 15th October, 1946, or who are widows or divorced, or who are separated from their husbands, or whose husbands suffer without hope of recovery from total physical or mental incapacity) will not be eligible for appointment to the Home Civil Service unless they undertake to refund on appointment the marriage gratuity paid. Provided that this undertaking will not be required if the break between the first period of service (including any period of unestablished service immediately following the period in respect of which the gratuity was paid) and the date of re-establishment is more than seven years.

(iv) The approval of the Secretary of State for Foreign Affairs is required before a successful male candidate who is married takes up appointment in Branch B of the Foreign Service.

##### 5. Nationality.

Candidates must be British subjects. They must also satisfy one of the following conditions:—

(a) If natural-born British subjects, they must either

(i) have at least one parent who is or was at death a British subject; or

(ii) have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(b) If naturalised British subjects, they must have resided in Her Majesty's dominions and/or been employed elsewhere in the service of the Crown for at least five years out of the last eight years preceding the date of their appointment.

(c) If not qualified under (a) or (b) of this paragraph, they must satisfy the Commissioners that they are so closely connected with Her Majesty's dominions either by ancestry, upbringing or residence, or by reason of national service, that an exception may properly be made in their favour.

For the Foreign Service every candidate must be a natural-born British subject, and have been born within the United Kingdom or one of the self-governing Dominions, of parents both of whom were

also born within the United Kingdom or one of the self-governing Dominions.

No departure from this rule will be made without the special permission of the Secretary of State for Foreign Affairs, and then only in exceptional cases, and in favour of candidates who satisfy the conditions laid down above for the Home Civil Service.

#### 6. Health and Character.

Successful candidates must satisfy the Civil Service Commissioners as to their health and character.

#### 7. Examination.

The examination will be in the following subjects:—

1. English.
2. Arithmetic.
3. General Knowledge.
4. One of the following:—  
Mathematics, French, German, History, Geography, Economics.

Candidates who include Branch B of the Foreign Service among their preferences for appointment, if successful, must take either French or German as subject 4. Successful candidates will not be considered for appointment to Branch B of the Foreign Service unless they reach in the examination a satisfactory standard in either French or German and subsequently establish, in an interview at the Foreign Office, that they are in other respects suitable for appointment to the Foreign Service.

Candidates will be arranged in order of merit according to their total marks in the examination as a whole. Even if there are unfilled vacancies, no candidate will be appointed who does not reach a standard that satisfies the Civil Service Commissioners. Not more than one-third of the vacancies to be filled from the examination will be available for persons serving as Postal and Telegraph Officers in the Post Office.

#### 8. Candidates trained as Teachers.

Candidates who have been trained as teachers and upon whose training public money has been spent, cannot be appointed until the consent of the appropriate central education authority (e.g., the Ministry of Education, the Scottish Education Department, the Ministry of Education for Northern Ireland) has been notified to the Commissioners.

#### 9. Assignment.

The Commissioners will decide to which Department each successful candidate is to be assigned. A candidate who declines to accept the post offered will have no claim to be assigned to another, but will be regarded as having declined appointment. Assignments will be made in accordance with the needs of the public service, but the wishes of candidates will, where possible, be taken into account.

#### 10. Fee.

An application fee of 7s. 6d. is payable by all candidates. This must be sent with the application form, and is not returnable in any circumstances. A further fee of 12s. 6d., being the balance of the prescribed fee of £1, must be paid by each candidate on admission to the examination.

11. The application form must be accompanied by a certificate from the authorities of the Department in which the candidate is serving in the space provided on the application form, that he (or she) satisfies the conditions laid down in Clauses 2 and 3 of these Regulations and that his (or her) service has been approved.

The Civil Service Commissioners further give notice that an Open Competition will be held under the above Regulations commencing on 8th September, 1953.

No person will be admitted to the Competition from whom the Secretary of the Civil Service Commission has not received, on or before 9th July, 1953; an application on the prescribed form which may be obtained from the Secretary at once.

### NATIONAL INSURANCE ADVISORY COMMITTEE.

In accordance with section 77 of the National Insurance Act, 1946, the National Insurance Advisory Committee give notice that they have received from

the Joint Authority (comprising the Minister of National Insurance and the Minister of Labour and National Insurance for Northern Ireland) for consideration and report thereon the preliminary draft of regulations entitled the National Insurance (Contributions) Amendment (No. 2) Regulations, 1953.

A short explanatory note on these regulations is appended to this notice.

Copies of the preliminary draft of these regulations may be purchased directly (price 3d.) from Her Majesty's Stationery Office at the following addresses:—York House, Kingsway, London, W.C.2; 13a, Castle Street, Edinburgh 2; 39, King Street, Manchester 2; 1, St. Andrew's Crescent, Cardiff; 80, Chichester Street, Belfast; or through any bookseller.

The Committee will take into consideration any objection, made by or on behalf of persons affected, sent to them before 10th July, 1953. Having regard to the terms of the Act, which provides that objections must be made within a period of 28 days at most, the Committee are unable to allow a longer period within which objections may be submitted. If an objection is submitted within the prescribed time, however, the Committee will be prepared, if they are satisfied that sufficient grounds exist, to allow the later submission of evidence or explanation in support of the objection. Objections should be addressed to the Secretary, National Insurance Advisory Committee, 10, John Adam Street, London, W.C.2.

*Will Spens, Chairman.*

#### EXPLANATORY NOTE.

These Regulations revoke and replace with amendments the provisions of the National Insurance (Contributions) Regulations, 1948, as amended, relating to exemption from liability for, and crediting of, contributions for periods during which a person is undergoing full time education, full time unpaid apprenticeship or full time training at a course approved by the Minister of National Insurance. The amendments made to the existing provisions relate mainly to the conditions under which persons undergoing training are entitled to be credited with contributions; to the time limits within which such persons not entitled to credits may pay, if they so wish, contributions as non-employed persons; and to the circumstances in which such contributions may be taken into account for the purposes of unemployment and sickness benefit. Other amendments are of a minor or consequential character.
