The Secretary of State for Transport hereby gives notice that he has made an Order under sections 1 (1), (2) and (3) of the Road Traffic Regulation Act 1967, as amended by Part IX of the Transport Act 1968, on a part of the East of Birmingham-Birkenhead Trunk Road (A4123) known as Wolverhampton Road in the County of West Midlands.

The effect of the Order which comes into operation on 10th January 1984, is to prohibit vehicles proceeding on the trunk road from making:

- (1) a right turn from the southbound carriageway into Pound Road (West);
- (2) a right turn from the northbound carriageway into Pound Road (East).

The Order also provides for the closure of the 2 existing gaps in the central reservation opposite the junctions of Pound Road (east and west) with the trunk road which at present form part of a staggered junction. The road at this junction has been realigned and a new gap in the central reservation has been provided to allow vehicles to travel between the two sections of Pound Road via a traffic signal controlled crossing.

Any person who desires to question the validity of, or of any provision contained in, the Order, on the ground that it is not within the powers with respect to the Order conferred by the above Act, or on the ground that any requirement of, or of any Instrument made under, any provision of that Act has not been complied with in relation to the Order may, within 6 weeks of 9th January 1984 apply to the High Court for the suspension or quashing of the Order or of any provision contained therein.
